Indiana Patriot Coalition Asks Candidates to Sign Discharge Petition as well as Pledge Their Support to Repeal the Recently Passed Health Care Law if Elected to Office in November 2010

INDIANAPOLIS IN— The Indiana Patriot Coalition, made up of a half dozen liberty groups, has taken on a grassroots initiative that will focus on repealing the recently passed health care law. Rep. Steve King (R-IA) recently filed a discharge petition, a special measure that would force the U.S. House of Representatives to vote to repeal the Patient Protection and Affordable Care Act. Over 150 lawmakers have signed the petition, with 2 of the representatives here from Indiana, Mike Pence and Dan Burton.

The Indiana Patriot Coalition will put fire to the feet of those representatives that choose not to support repeal of the Patient Protection and Affordable Care Act. Conversely, we will thank those representatives who choose to support repeal of the same. To date, those representatives who have chosen to support the newly passed law are as follows: Peter Visclosky (D), Joe Donnelly (D), Steve Buyer (R), Andre Carson (D), Brad Ellsworth (D), and Baron Hill (D).

A recent Rasmussen poll shows that 60% of voters nationwide favor repeal of the recently passed health care law. For those Representatives that choose not to listen to the majority of Americans and Hoosiers, we will hold them accountable, continuously through all our social networking outlets in Indiana and nationwide through the Indiana Patriot Coalition and on Election Day, November 2, 2010. We are urging all representatives who have NOT signed the discharge petition to reconsider and choose to do what is right, in accordance with the Constitution and what is right for the American People.

In addition, as part of this grassroots project, the Indiana Patriot Coalition will continue to educate citizens on this Constitutional mechanism that can be used to repeal the healthcare law.

The "Tea Party" / liberty / patriot groups joining forces to take on this grassroots project that will focus on the repealing of the health care law include: Grant County Tea Party, Kosciusko County Silent NO More, Tea Party of Lake County, Michiana 912 Group, Concerned Citizens of Michiana, The Liberty Coalition and the Indianapolis Tea Party.

We are asking all those who are currently on the November 2010 ballot, including Republicans, Democrats, Libertarians and Independents, to respond to The Indiana Patriot Candidate Pledge to repeal the Patient Protection and Affordable Care Act. The Pledge says that these candidates will pledge to work tirelessly and choose to repeal the health care law if elected in November 2010. They also will pledge to urge their fellow Members of Congress to do the same and they will sponsor and co-sponsor legislation, if elected, which will repeal the Patient Protection and Affordable Care Act entirely.
